

Southern Bowling Congress Life Members and Year Elected		
Too many times, an organization fails to continue to recognize those that worked tirelessly to promote the organization. It is easy to forget the Life Members from our early years who spent so much time and effort to make sure the name of the Southern Bowling Congress is remembered and recognized throughout the Southern area as a great supporter of bowling and operator of the best regional tournament. An alphabetical list of all of our members that have been given Life Member status for their dedication is now part of our history and on our web site.
